Tom,
I have been trying to get a hold of you today. The phone # 218-780-9462 isn't working for me. We would be willing to buy the 1025S outright with all the attachments for \$12,500.00. I wanted to verify what style of cab it was. Is it a hard cab? Give me a call tomorrow morning when you get this. I'll hold off delivering the tool cat tomorrow to see what the plan on the trade is so we can possible get everything done in one trip
